16  
17 Defendant Elias Medrano appeared before this Court on October 10, 2005 and was  
18 released on the condition that he enter a residential dual-diagnosis treatment program at the New  
19 Bridge Foundation in Berkeley, California. Mr. Medrano did in fact enter the program the  
20 following week and continues to undergo treatment at this time. He is receiving counseling as  
21 well as medication in order to treat his condition. His therapist is pleased with Mr. Medrano's  
22 progress to date. Mr. Medrano's mother and pretrial services officer echo this assessment.

23 Mr. Medrano, who is 18 years old, is charged with a misdemeanor "joyriding" offense.  
24 The parties anticipate that drug treatment will be a significant component of any negotiated  
25 disposition in the case.

26 The parties are scheduled to appear for a status conference on December 15, 2005. In

1 light of Mr. Medrano's continued residence at New Bridge, the parties agree and stipulate that  
2 the status should be continued until January 19, 2006 at 11:00 AM.

3 IT IS SO STIPULATED.
